Holistic Education for Future Leaders

EUCON International University, founded in the 1990s, is located in the Northern Mariana Islands, U.S.A. The university offers undergraduate bachelor's and master's degree programs with majors including Education, University Foundation Program, Golf Management, Business Administration (BBA & MBA), and English as a Second Language (ESL). The university is dedicated to fostering students' balanced development in academics, character, professionalism, and interests. It encourages students to respect all ethnic groups within a multicultural environment, broaden their international perspectives, and explore career paths. Our hope is that students, equipped with professional knowledge and skills, along with healthy character and physical well-being, will be prepared – with a serious and positive attitude – for further studies or entry into the professional world.

EUCON International University is recognized as an international institution of higher education by the U.S. Department of Education (USDE). It is also accredited by the Transnational Association of Christian Colleges and Schools (TRACS), which is recognized by the Council for Higher Education Accreditation (CHEA), making it an internationally recognized university. TRACS is a member of the International Network for Quality Assurance Agencies in Higher Education (INQAAHE) and is recognized by the U.S. Department of Education (USDE) and the Council for Higher Education Accreditation (CHEA) as a national accrediting body for private colleges and universities in the United States.

Accreditation

A Tradition of Quality Education and Character

1. U.S. PARADISE, Saipan is part of the U.S. Commonwealth of the Northern Mariana Islands (CNMI) and serves as its capital and largest island. Historically, Saipan was governed by Spain, Germany, and Japan. Following a plebiscite in November 1986, the island became part of the United States territory. The official language is English. Surrounded by the ocean, Saipan enjoys a consistent year-round temperature between 20-28°C (68-82°F). The island is home to famous tourist attractions such as Managaha Island, Banzai Cliff, Forbidden Island, American Memorial Park, The Grotto, Mount Tapochau, and Bird Island. The pleasant climate makes it an ideal, peaceful location for study, tourism, and living.

2. SCENIC COASTAL CAMPUS, EUCON International University is located in the north-central part of Saipan. The school is set against a backdrop of hills and faces the sea. It is about a 5-minute walk from the ocean and approximately a 20-minute drive from Mount Tagpochau, Saipan's highest point. Students can enjoy outings and enrich their lives beyond their studies. The university's colors are white and blue. Eucon's campus features essential facilities, including a sports field, basketball court, library, auditorium, classrooms, faculty offices, academic buildings, dormitories, a cafeteria, and a golf course (in partnership with Laolao Bay Golf Course).

3. DYNAMIC LEARNING, DIVERSE COMMUNITY, The EUCON International University community includes students and faculty from mainland China, Taiwan, Hong Kong, the United States, Korea, India, the Philippines, and Saipan, creating an international teaching and learning environment. EUCON's faculty brings the values of American traditional education, with their faith, character, and knowledge influencing every student. At EUCON, you will experience a positive and supportive academic atmosphere. Our teaching combines materials based on the traditional American education system with multimedia instruction, facilitating interaction among teachers, students, and media to achieve an effective, three-dimensional teaching model. Classes at EUCON are designed to be intensive and closely connected. Students will gain strong academic knowledge in the classroom and graduate with a high level of bilingual proficiency.

Mission

We are committed to providing students with diverse academic and professional training while fostering a caring and supportive environment that holistically nurtures their spiritual, mental, and physical growth. Eucon also provides students from China and other Asian countries the opportunity to study English and pursue degrees within a U.S. institution. Through various courses and extracurricular activities, we aim to cultivate diligence, humility, and an awareness of societal needs in young people, building a spirit of service and contributing well-rounded, morally sound talents to society.

Vision

EUCON International University upholds a philosophy of authentic education that values academic achievement and character development while preparing students to demonstrate integrity, engage in their communities, excel in their chosen fields, and contribute meaningfully to society.

Our guiding principle has always been to help students develop both character and knowledge.!

*Study Abroad
Global Perspective*

High Value Educational Investment

01

Access high-quality international education resources at a more reasonable cost. Make quality education accessible and ensure every investment provides exceptional value.

American Education Global Connections

03

Employs the U.S. education system and teaching models. The curriculum is aligned with international standards, helping students smoothly transition to overseas studies and global career development.

Island Setting

Quiet environment

02

Located on a scenic Pacific island, away from urban noise. A quiet, safe, and pure learning atmosphere allows students to focus more effectively and efficiently.

Authoritative Accreditation International Recognition

04

Accredited by a recognized agency; degrees are globally acknowledged, providing a solid foundation for future academic pursuits or employment.

Efficient Learning Greater Results

05

Optimized curriculum structure and teaching methods enhance learning efficiency, enabling students to achieve more substantial academic outcomes and skills in a shorter time.

Holistic Development Shaping Educational Leaders

Ethics: Establish professional ethics and strong values and character.

Intellect: Strengthen theoretical foundations and critical thinking.

Physical: Cultivate a healthy body and vibrant spirit.

Aesthetics: Enhance aesthetic appreciation and creativity.

As education around the world continues to evolve, great teachers do more than teach lessons—they inspire minds, nurture potential, and help shape the future. Our U.S.-based Bachelor's program in Education integrates authoritative accreditation systems, cutting-edge teaching methodologies, and rich practical opportunities, providing a solid foundation for students aspiring to dedicate themselves to the field of education.

Shaping the Leaders
of Tomorrow

Bachelor's Degree in Education

Inheriting Classics Shaping the Future

Rooted in Western Educational Tradition: Liberal arts spirit, rational thinking, and moral development shape you into an educator with both wisdom and character.

Strong Academic Programs Solid Practice

In-depth study of educational philosophy and psychology.

Systematic training in curriculum design and teaching methods.

High-quality classroom internships with mentor guidance.

Thorough assessment and professional growth systems.

Returning to the Essence of Education

Rooted in the Western educational tradition, inheriting centuries of educational wisdom, esteeming reason and critical thinking, valuing character and responsibility, emphasizing the human spirit and liberal arts education – with truth, virtue, and excellence as core values.

The PGM Golf Management program is a specialized concentration within the undergraduate Business Administration (BBA) degree. The curriculum balances specialization and practicality, aiming to cultivate versatile professionals equipped with business acumen and golf industry management capabilities.

Skill Development
Amidst
Mountains and Sea

PGM
Golf Management

**Golf Management
Program (PGM)**

A Holistic Learning
Experience
of Body and Mind

The program comprises a total of 126 credits, including:

Golf Management Courses (39 credits): Covering course operations, event organization, customer service, basic coaching principles, rules and etiquette, emphasizing the integration of practical application with industry knowledge.

Business Administration Courses (36 credits): Including core business courses such as Marketing, Financial Management, Human Resources, and Corporate Strategy, providing students with a solid management foundation.

General Education & Electives (51 credits): The remaining credits consist of general education courses and electives, focusing on cultivating students' comprehensive qualities.

The PGM program focuses not only on cultivating elite talent for the golf industry but also on opening doors for students to diverse career paths. Graduates will master comprehensive skills in management, operations, marketing, and customer service – competencies that make them highly competitive in multiple fields. Upon completing all course requirements, students will earn a Bachelor of Business Administration (BBA) degree and possess professional capabilities for entry into the golf industry, sports management, or related business sectors. Eucon's PGM program provides students with a solid professional foundation and broad career choices, preparing students for management roles not only in golf but throughout the top-tier leisure and sports industries.

University Foundation Program

To assist Chinese and international students in transitioning smoothly into U.S. undergraduate degree programs, Eucon International University offers a specialized University Foundation Program. The program lasts approximately one year (2-3 semesters), with instruction delivered at partner centers in China and at the Eucon campus in Saipan.

Program Features

Flexible Entry Requirements

Offers systematic language courses from beginner to university level. No prior English foundation required for application.

Tailored Academic Planning

Clear pathways to specific majors, with relevant foundational courses arranged based on the intended field of study.

Significant Advantage in Golf Management

Access to excellent golf course resources in Saipan, enabling advancement in both golf skills and theoretical knowledge.

Small Class Sizes, Close Interaction

Ensures learning quality and enhances student engagement and adaptation.

Lower Cost of Living, Safe Environment

Saipan is a U.S. territory with good public safety and convenient living conditions, well-suited for Asian students.

Direct Pathway to Undergraduate Studies

Provides a stable transition, saving time and costs compared to other pathways.

▶ Focused Empowerment

Choose an MBA that fits your budget and schedule. Take control of your future. Eucon helps you advance your career without being constrained by financial burdens.

Online MBA

▶ High Value

EUCON's high-value MBA program is priced significantly below the average cost of globally accredited MBAs, making elite education accessible and affordable for talented individuals.

▶ Financial Support

Scholarship and financial aid options are available to lessen the educational burden.

▶ Accelerated Pathway

Complete your MBA in just 12 months through efficient mastery of course material.

The Master of Business Administration (MBA) program at Eucon International University, USA, aims to cultivate high-level management professionals with global vision, strategic thinking, and practical capabilities. The program is recognized by the Council for Higher Education Accreditation (CHEA) and accredited by the Transnational Association of Christian Colleges and Schools (TRACS), ensuring the degree holds broad international credibility.

The EUCON MBA is more than just academic advancement; it is an accelerator for career development. Graduates will possess cross-cultural communication skills, strategic planning abilities, and a commitment to sustainable business practices, qualifying them for senior management positions in multinational corporations, entrepreneurial ventures, and non-profit organizations, enabling them to excel on the global business stage.

Online MBA Courses: Business Research Methods; Organizational Behavior; Management Information Systems; Marketing; Operations Management; International Business; Managerial Finance; Managerial Accounting; Managerial Economics; and Strategic Decision Making. Delivery Mode: Distance Learning.

EUCON International University is accredited by the TRACS agency in the U.S. and is a recognized American higher education institution. Over the years, it has produced numerous bachelor's and master's graduates. The degrees earned are equivalent to corresponding degrees in China. Degrees from unaccredited universities may have inconsistent teaching quality, potentially hindering future studies, employment, or immigration. Beyond U.S. Department of Education recognition, our university has gained international recognition and is also acknowledged by the China Service Center for Scholarly Exchange (CSCSE), the Ministry of Education in Taiwan, and the Hong Kong Council for Accreditation of Academic and Vocational Qualifications (HKCAAVQ).

International Accreditation

EUCON International University Bachelor's Degrees Recognized by China's Ministry of Education

Ms Wei submitted an application for qualifications assessment on 12 October 2020. The Hong Kong Council for Accreditation of Academic and Vocational Qualifications (HKCAAVQ) advises that the **totality** of Ms Wei's educational qualification meets the standard of a local Bachelor (Honours) Degree at Level 5 of the Hong Kong Qualifications Framework.

AnH/AnH/HeC/hec

EUCON 在线

EUCON International University received academic accreditation from Hong Kong (awarded by the Hong Kong Council for Accreditation of Academic and Vocational Qualifications) on November 3, 2020.

Prepare Required Documents

- 1** Two copies of the applicant's passport data page.
- 2** Completed application form.
- 3** Official high school/university transcripts and graduation certificates in both Chinese and English (must be in school official envelope with stamp/seal).
- 4** Copy of parent(s)' or guardian's ID card or passport (Not required if applicant is over 18).
- 5** Official English immunization records and vaccination certificate (Complete the school's provided form, signed/stamped by a physician).
- 6** Financial documents for visa interview reference only (not required to submit to the university), such as proof of income, time deposit statements, property deeds, annual tax withholding statements, labor/national health insurance records, frequently used bank passbooks, annual income statements, etc.

Note:

EUCON International University is a U.S. Department of Education accredited school. As long as documents are complete and answers are truthful, visa officers are generally friendly, and the visa process is relatively straightforward.

Application and Fee Payment

- 1** Scan and email or send via WeChat items 1 through 6 to the school. Submit originals upon arrival on campus.
- 2** Pay the non-refundable application fee of \$650 USD. Email or send the passport copy via WeChat to the school. The school will then process the I-20 form and Letter of Admission.
- 3** After receiving the I-20, pay the SEVIS I-901 fee online and print the receipt. Complete the DS-160 Online Nonimmigrant Visa Application form and schedule a visa interview appointment at the U.S. Embassy/Consulate. Ensure the I-20 is signed and valid before the interview.
- 4** On the interview day, bring your passport, I-20, I-901 fee receipt, Letter of Admission, ALL documents from section 1 (including financial documents), and any other required items to the U.S. Embassy/Consulate for your in-person interview. If approved, the embassy/consulate will retain your passport to affix the F-1 visa and will courier it to the address you provided.
- 5** After the visa is approved, pay the tuition and on-campus room & board fees for the academic year (Fall and Spring semesters) - \$18,090 USD. Upon receipt of payment, the school will issue a payment confirmation and pre-arrival information.
- 6** Once you receive your passport with visa and all documents, you may purchase your flight ticket and prepare for travel to the Eucon campus in Saipan.
- 7** After purchasing your ticket, contact the school to arrange airport pickup. Bring your passport with F-1 visa, I-20 form, Letter of Admission, payment confirmation, and pre-arrival information to the airport. Ensure the I-20 is signed and valid before boarding your flight.
